

# MALE MYSTERIES IN THE GREAT TURNING: An Immersion in the Work That Reconnects for Men Only

Facilitated by Werner Brandt, Kurt Kuhwald  
& Terry Symens-Bucher  
with Joanna Macy

In the very crucible of planetary crisis, from economic breakdown to climate chaos to environmental toxicity and permanent wars—patterns and possibilities arise for the healing of our world. In this Great Turning, men will and must discover their as yet undreamt-of power to bring the full and passionate presence of their sacred masculinity to the service of all beings.

This immersion retreat will be guided by veteran facilitators of the Work That Reconnects, with Joanna's full-time presence and periodic reflections and contributions. Registrants must have previous experience with the Work That Reconnects. **Registration by application only** ([click here](#)). A scholarship fund may be available for younger men to attend.
